# LOVE VIBES

Here I am, barefoot, walking towards him. How much have I  
dreamt about this moment in front of a mirror! Today that dream  
finally comes true. The sun shines on me and my heart beats faster.

Everyone is smiling, all is full of love.

a BREAK

# MAIN EVENT

I wished everything was perfect, and it actually is.  
The flowers dance to the rhythm of the sea, everything  
is full of harmony. I couldn't wish for anything  
more than what I already got.

Flower Glory

# LET'S GET FESTIVE

To start at its best, the team bride had breakfast  
on the beach. Nothing is more relaxing to get  
ready for the great event.

# OUR Home

I kept that day with us by placing details and little wedding memories inside our home. White color perfectly matches pastel ones, giving light and serenity.

They say that when you are happy, you buy flowers. In fact, I have filled our home with roses, hydrangeas, eucalyptus and mint.

ROSES  
& HAPPINESS

# Sky Shades

I loved planning my special day surrounded  
by the sea. At night my thoughts were  
cradled by its sound.

Scent of Flowers

## Rehearsal dinner

For the rehearsal dinner we chose an exclusive mise en place filled of pink nuances, enlightened by tender tulip blossoms and decorated candleholders. The warmth of the candles mixed with the sparkling sea breeze accompanied us through the whole night.

The wedding dinner is instead a white canvas painted with the warm pink colors of the peonies and the luxury gold of the candelabras. The refined location has turned the whole night into something unforgettable.

Romantic Sunset

The perfect ending
